

Collection Care for Beginners

Presented by Angela Stanford, Curator of Collections and Registrar at
The Danish Immigrant Museum.

If you are a small Iowa museum, historical society, or heritage group charged with caring for a collection of artifacts with a small budget and little or no professional training, this is the workshop for you!

Participants will learn how to provide basic collection care and what resources are available to help you as you process new donations, find homes on exhibit or in storage for artifacts, and even reconcile old records. Learn what publications are affordable and most helpful, and where to find them. Find out what procedures, policies, and forms are necessary and obtain examples of these.

Also included in this workshop is a demonstration of the Past Perfect collections software system, a tour of The Danish Immigrant Museum's artifact storage areas, and an opportunity to speak with professionally trained staff about your many collections questions.

This workshop is limited to 12 participants.

When: Monday, April 27, 10:00am to 4:00pm
Where: The Danish Immigrant Museum, Elk Horn
IMA Member Registration: \$40 (includes lunch)
Non-Member Registration: \$55 (includes lunch)

Registrations due by Monday, April 13.
